

**You Oughta Be
in Pictures....**

Movies are all about stars, and Screen Test Student Fest offers you the opportunity to shine as a sponsor of this remarkable event at the Schaumburg Prairie Center for the Arts.

Your involvement could help a student complete a video project, present a cash award, or provide needed support in making Screen Test the premier regional showcase for young film and video artists.

SPONSORSHIP APPLICATION

Lights, camera... sponsor!

A few years ago, the village received a letter from a local 8th grade student suggesting that "Schaumburg, being the festive town it is, should have its own film festival." The idea led to our first annual **Screen Test Student Fest** in February, 2007, featuring short video projects from students in grades 5-12 and representing communities including Des Plaines, Glen Ellyn, Arlington Heights, and Naperville.

By its third year, the number of film submissions quadrupled, with works of increasing artistry and technical achievement. Audiences grew as well, as did festival exposure. We expect to reach new heights as we start preparing for our 4th annual festival.

Business support of the festival helps provide an outlet for young people to express themselves artistically through the medium of film or video. In return, we acknowledge sponsorships in any number of ways, from having a business be an award presenter to including a company logo on all related promotional material for the event. A variety of sponsorship levels are offered and contributions can be made through cash or in-kind donations.

We hope you consider this unique opportunity to get involved with a worthwhile event for students, film-goers and the community!
