- The contractor shall pay **all workers** on the Village's contract no less than the Prevailing Wage, based on the most current IDOL standards. *Current standards are available on the Illinois Department of Labor web site at [www.state.il.us/agency/idol/](http://www.state.il.us/agency/idol/) or by calling the Village of Schaumburg at 847.923.4512.* (820 ILCS 130/11G) (Wages of employees on Public Works – Prevailing Wage Act, Illinois Revised Statutes, Chapter 48, Section 39S-1 et seq.)
- The contractor must be prepared to supply their own ladders.
- The contractor, and their personnel, will be required to check in with the Village when arriving at or leaving the festival grounds each day to ensure proper tracking of manpower on the job and to verify hours worked for payment of services.
- All tents and stages requiring electricity will be located on the grounds of the Village. The electricians will be permitted on the Village grounds at 8:00 a.m. on the Friday morning before the festival weekend, and must have taken down and removed all electrical related equipment by 3:00 a.m. on the Tuesday following the festival weekend. The electrical

contractor will also be responsible for assisting Village personnel with the proper wrapping and storing of all electrical equipment removed from the tents on Monday night and Tuesday morning.

- During the festival it may be necessary for the contractor to supply electrical materials. This is rare; however, if it should become necessary, the purchase must be approved by a Village of Schaumburg Engineering Public Works foreman. Following the festival, the contractor may submit to the Village a request for reimbursement of material costs. This request must include a detailed list of all materials, quantities, location of use, and their *Supplier's Invoice* showing actual cost of materials to the contractor. The Village will review the reimbursement request and make a final determination on electrical material cost reimbursement.

**General Conditions and Schedule:** Contractors are required to provide labor cost for the entire festival, based on the eight (8) scheduled periods of festival operation. **The manpower requirements and man hours shown on the *Detailed Cost Sheet* are estimated requirements that the contractor will provide on site each day.** At the Village's discretion, these hours may be changed dependent upon actual need. The number of hours worked in 2019 (and subsequent years) may change based on staffing decisions made by the Village. If the number of hours that manpower personnel are needed is modified, the company providing the services will be expected to make the appropriate modifications to their staffing strategy. Any increases in hours worked must be billed according to the hourly rate provided in the submittal. Any decreases in hours worked will result in a reduction in the contract amount based on the hourly rate quoted in the submittal. These costs are to be submitted on the *Detailed Cost Sheet* and *Bid Sheet* provided with the bid document.

Work shall be paid for at the Contract Unit Price per hour for electricians, as listed on the *Detailed Cost Sheet*, for each day's time period. Verification of hours worked will be done through the use of the sign in sheets (*see Requirements section*). If the contractor's employees fail to report in, payment for services will not be made.

At least one company representative on-site must speak English to communicate with staff and Septemberfest Committee members. The Village and the Septemberfest Committee require a valid 24-hour emergency telephone number of a company representative with decision-making authority for use during the hours of operation during the Labor Day weekend. This service representative may be called upon to handle any potential problems encountered with the service during the weekend.

Septemberfest days and times of operation are:

Saturday - 10:00 a.m. to 10:00 p.m.

Sunday - 9:00 a.m. to 10:00 p.m. (fireworks display evening)

Monday - 9:00 a.m. to 9:00 p.m. (rain date for fireworks display evening)

**References:** All contractors shall include with their bid submittal a list of a minimum of three (3) references, including company names, contact person's name, email address, and phone number for similar services provided within the past two (2) years. **All references shall be for temporary outdoor events similar in size, scope and quality to the Septemberfest event.**
